

Dated 9 October 2020

Programme Manual

Banca Ifis S.p.A.

€5,000,000,000 Euro Medium Term Note Programme

The aggregate nominal amount of all Notes outstanding at any time will not, subject as provided below, exceed €5,000,000,000 or its equivalent in other currencies at the time of agreement to issue. The Dealer Agreement provides for the increase in the nominal amount of Notes that may be issued under the Programme. In that event, this Programme Manual shall apply to the Programme as increased.

All terms with initial capitals used herein without definition shall have the meanings given to them in the Base Prospectus dated 9 October 2020 as supplemented or replaced from time to time (the “**Base Prospectus**”) or, as the case may be, the Third Amended and Restated Dealer Agreement dated 9 October 2020 between the Issuer and the Dealers named in it as amended, supplemented, novated or restated from time to time (the “**Dealer Agreement**”) under which the Issuer may issue Medium Term Notes.

As used herein, in relation to any Notes which are to have a “listing” or be “listed” (i) on The Irish Stock Exchange plc trading as Euronext Dublin (“**Euronext Dublin**”), listing and listed shall be construed to mean that such Notes have been admitted to the Official List and admitted to trading on Euronext Dublin’s regulated market and (ii) on any other Stock Exchange within the European Economic Area or in the United Kingdom, “listing” and “listed” shall be construed to mean that the Notes have been admitted to trading on a market within that jurisdiction which is a regulated market for the purposes of article 4.1(21) of Directive 2014/65/EU of the European Parliament and of the Council on markets in financial instruments. This Programme Manual applies to Notes issued on and after 9 October 2020. The procedures set out in Annex 1 may be varied by agreement between the Issuer, the Agent and the relevant Dealer or the Lead Manager, as the case may be, including to take account of any standardised procedures published by Clearstream, Luxembourg and/or Euroclear (together, the “**ICSDs**”) and/or the International Capital Markets Services Association and/or the International Capital Market Association. The timings set out in these procedures represent optimum timings to ensure a smooth settlement process. Each of the ICSDs has its own published deadlines for taking certain of the actions described herein (which may be later than the timings described herein). The Issuer, the Agent, the relevant Dealer or the Lead Manager, as the case may be, and the Common Depository, or Common Service Provider and Common Safekeeper, as the case may be, may agree to vary the timings described herein subject to compliance with such deadlines.

Operating Procedures

Dealers must confirm all trades directly with the Issuer and the Agent.

1. Responsibilities of the Agent

The Agent will, in addition to the responsibilities in relation to settlement described in Annex 1, be responsible for the following:

- (a) in the case of Notes which are to be listed on a Stock Exchange, distributing to the Stock Exchange and any other relevant authority the number of copies of the applicable Final Terms required by the Stock Exchange and such other relevant authority; and
- (b) in the case of Notes which are to be listed on a Stock Exchange, immediately notifying the Issuer and the relevant Dealer if at any time the Agent is notified by the Listing Agent or the Stock Exchange that the listing of a Tranche of Notes has been refused or otherwise will not take place.

2. Responsibilities of Each Dealer/Lead Manager

Each Dealer/Lead Manager will confirm the terms of a Tranche and agree with the Issuer Final Terms (substantially in the form of Annex 2 in respect of each Tranche of Notes issued with a denomination of at least Euro 100,000 (or its equivalent in another currency)).

3. Settlement

The settlement procedures set out in Annex 1 shall apply to each issue of Notes (Part 1 in the case of issues closed on a non-syndicated basis and, Part 2 in the case of issues closed on a syndicated basis, in each case whether or not subscribed under a Subscription Agreement), unless otherwise agreed between the Issuer, the Agent and the relevant Dealer or the Lead Manager, as the case may be. With issues of Notes to be listed on a Stock Exchange other than the Euronext Dublin more time may be required to comply with the relevant Stock Exchange's or any other relevant authority's listing requirements and with issues of Inflation Linked Interest Notes or Inflation Linked Redemption Notes more time may be required to settle documentation.

A Trading Desk and Administrative Contact List is set out in Annex 5.

It is recommended that these procedures are adopted without material amendment to facilitate standardisation in the market and a smooth closing procedure.

Part 2

Settlement Procedures for Issues Closed on a Syndicated Basis

The procedures set out below for the period up to and including “Issue Date minus 2” apply to all syndicated closings whatever the currency concerned. The timing of the procedures to take place thereafter varies by reference to the deadlines imposed by the Agent, the Common Depositary or, as the case may be, the Common Service Provider and the ICSDs for the particular currency concerned and it is not possible to specify all variations in this memorandum.

Accordingly, all parties should contact each other as early as possible in the process to agree the relevant settlement deadlines. In particular, the Agent, the ICSDs and the Common Depositary or, as the case may be, the Common Safekeeper and Common Service Provider should be involved in these discussions.

The procedures and timings set out below to take place on the Issue Date relate to an illustrative syndicated closing of securities denominated in euro. Whilst the procedures will apply to all syndicated closings in whatever currency, the timings will vary significantly and, in many cases, steps will need to be taken on Issue Date minus 1.

Explanatory notes to Annex 1

- (a) Each day is a day on which banks and foreign exchange markets are open for business in London, counted in reverse order from the proposed Issue Date.
- (b) The Issue Date must be a Business Day. For the purposes of this Memorandum, **Business Day** means a day which is:
- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any other place as is specified in the applicable Final Terms as an Additional Business Centre;
 - (ii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open; and
 - (iii) a day on which the ICSDs and any other relevant clearing system is open for general business.
- (c) The Final Terms for all Notes may only contain terms and information contemplated by the Base Prospectus and forms of Final Terms contained in it. If any additional final terms or information are to be included in the applicable Final Terms in relation to any Notes which are to be admitted to trading on an EEA regulated market or in the United Kingdom, it must be considered whether such terms or information constitute “significant new factors” and consequently trigger the need for a supplement to the Base Prospectus under Article 23 of the Prospectus Regulation. If a supplement is not considered to be appropriate either (i) a new prospectus for any such issue of Notes (also in the form of a Drawdown Prospectus) or (ii) an updated Base Prospectus, disclosing such terms or information will be required. In all such cases, the timings in Part 1 and Part 2 of Annex 1 will change as the relevant authority will need to approve either (i) a supplement, which can take up to seven working days, (ii) a new prospectus (also in the form of a Drawdown Prospectus) or (iii) an updated Base Prospectus.

Part 1

Applicable Final Terms

Set out below is the form of Final Terms which will be completed for each Tranche of Notes issued under the Programme.

FORM OF FINAL TERMS

Set out below is the form of Final Terms which will be completed for each Tranche of Notes issued under the Programme.

PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”) or in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

[[MiFID II Product Governance / Professional investors and ECPs only target market] – Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in [Directive 2014/65/EU (as amended, “**MiFID II**”)]**[[MiFID II]**; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]

[Notification under Section 309B(1)(c) of the Securities and Futures Act (Chapter 289) of Singapore (the SFA) - [To insert notice if classification of the Notes is not “prescribed capital markets products”, pursuant to Section 309B of the SFA or Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products)]¹
