*The following are the Terms and Conditions applicable to each Series of Notes to be governed under Italian Law (respectively, the “Italian Law Notes” or the “Notes” and the “Terms and Conditions for the Italian Law Notes” or the “Terms and Conditions”) which, as completed by the applicable Final Terms, will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant competent authority, stock exchange and/or quotation system (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The provisions of Part A of the applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to the “Form of Final Terms” for a description of the content of Final Terms which will specify which of such terms and conditions are to apply to the relevant Notes. The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under “Summary of Provisions relating to the Notes in Global Form” below.*

This Note is one of a Series (as defined below) of Notes issued by Banca Ifis S.p.A. (the “**Issuer**”) pursuant to the Agency Agreement for the Italian Law Notes (as defined below).

References herein to the “Notes” shall be references to the Notes of this Series only and not to all Notes that may be issued under the Programme and shall mean:

- (i) in relation to any Notes represented by a global Note (a “**Global Note**”), units of each Specified Denomination in the Specified Currency;
- (ii) any Global Note; and
- (iii) any definitive Notes issued in exchange for a Global Note.

Reference herein to NGN shall mean a Temporary Global Note or a Permanent Global Note in either case where the applicable Final Terms specify the Notes as being in NGN form.

The Notes and the Coupons (as defined below) have the benefit of an agency agreement dated 29 July 2021 (as amended on 18 February 2022 and as further amended and/or restated, and/or supplemented from time to time, the “**Agency Agreement for the Italian Law Notes**” or the “**Agency Agreement**”) made between the Issuer, BNP Paribas Securities Services, Luxembourg Branch as issuing and principal paying agent (the “**Agent**”, which expression shall include any additional or successor issuing and principal paying agent) and the other paying agents named therein (together with the Agent, the “**Paying Agents**”, which expression shall include any additional or successor paying agents).

The Final Terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which supplement these Terms and Conditions (the “**Conditions**”). References to the “**applicable Final Terms**” are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

Interest-bearing definitive Notes have interest coupons (the “**Coupons**”) and, in the case of Notes which (when issued in definitive form) have more than 27 interest payments remaining, talons for further Coupons (the “**Talons**”) attached on issue. Any reference herein to Coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons attached on issue. Global Notes do not have Coupons or Talons attached on issue.

Any reference to “**Noteholders**” or “**holders**” in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to “**Couponholders**” shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, “**Tranche**” means Notes which are identical in all respects (including as to listing and admission to trading) and “**Series**” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in

all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Agency Agreement for the Italian Law Notes are available for inspection free of charge during normal business hours at the specified office for the time being of each of the Paying Agents. If the Notes are to be admitted to trading on the regulated market of The Irish Stock Exchange plc trading as Euronext Dublin (“**Euronext Dublin**”) the applicable Final Terms will be published on the website of the Euronext Dublin ([www.euronext.com/en/markets/dublin](http://www.euronext.com/en/markets/dublin)) and copies thereof are available for viewing at the registered office of the Issuer and of the Agent and copies may be obtained from those offices. If this Note is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area or in the UK in circumstances where a prospectus is required to be published under the Prospectus Regulation, the applicable Final Terms will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer and the relevant Paying Agent as to its holding of such Notes and identity. The expression “Prospectus Regulation” means Regulation (EU) 2017/1129. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement for the Italian Law Notes and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement for the Italian Law Notes.

Words and expressions defined in the Agency Agreement for the Italian Law Notes or used in the applicable Final Terms shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement for the Italian Law Notes and the applicable Final Terms, the applicable Final Terms will prevail.

## **1. FORM, DENOMINATION AND TITLE**

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s). In the case of a Series of Notes with more than one Specified Denomination, Notes of one Specified Denomination will not be exchangeable for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Reset Rate Note, a Floating Rate Note or a Zero-Coupon Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest Basis shown hereon.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons, Couponholders and Talons in the Conditions are not applicable.

Title to the Notes and the Coupons will pass by delivery. The holder of any Note or Coupon shall (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any other interest therein, any writing thereon or any notice of any previous loss or theft thereof) and no Person shall be liable for so treating such holder.

## **2. STATUS OF SENIOR NOTES**

This Condition 2 (*Status of Senior Notes*) is applicable only to Senior Notes. The Senior Notes and the Coupons constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu*, without any preference among themselves. The payment obligations of the Issuer under the Senior Notes and the Coupons shall, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application, at all times rank at least equally with its other present and future unsecured and unsubordinated obligations (other than obligations ranking, in accordance with their terms and/or by provision of law, junior to the Senior Notes from time to time (including Senior Non-Preferred Notes and any

further obligations permitted by law to rank junior to the Senior Notes following the Issue Date)) if any.

Each holder of a Senior Note unconditionally and irrevocably waives any right of set-off, counterclaim, abatement or other similar remedy which it might otherwise have under the laws of any jurisdiction in respect of such Senior Note.

For the avoidance of doubt, there is no negative pledge provisions in these Conditions.

## **2A. STATUS OF SENIOR NON-PREFERRED NOTES**

This Condition 2A (*Status of Senior Non-Preferred Notes*) is applicable only to Senior Non-Preferred Notes. Senior Non-Preferred Notes (notes intending to qualify as *strumenti di debito chirografario di secondo livello* of the Issuer, as defined under, and for the purposes of, Article 12-bis and Article 91, section 1-bis, letter c-bis of the Consolidated Banking Law, and any relevant implementing regulation which may be enacted for such purposes by any Relevant Authority), any related Receipts and Coupons constitute direct, unconditional, unsubordinated, unsecured and non-preferred obligations of the Issuer, ranking:

- (i) junior to Senior Notes and any other unsecured and unsubordinated obligations of the Issuer which rank, or are expressed to rank by their terms and/or by provision of law, senior to the Senior Non-Preferred Notes, and
- (ii) *pari passu* without any preferences among themselves, and with all other present or future obligations of the Issuer which do not rank or are not expressed by their terms to rank junior or senior to the relevant Senior Non-Preferred Notes, and
- (iii) in priority to any subordinated instruments and to the claims of shareholders of the Issuer, pursuant to Article 91, section 1-bis, letter c-bis of the Consolidated Banking Law, as amended from time to time, and any relevant implementing regulation which may be enacted for such purposes by any Relevant Authority.

Each holder of a Senior Non-Preferred Note unconditionally and irrevocably waives any right of set-off, counterclaim, abatement or other similar remedy which it might otherwise have under the laws of any jurisdiction in respect of such Senior Non-Preferred Note.

For the avoidance of doubt, there is no negative pledge provisions in these Conditions.

## **3. STATUS OF SUBORDINATED NOTES**

This Condition 3 (*Status of Subordinated Notes*) is applicable only to Subordinated Notes. Subordinated Notes and any related Coupons constitute direct, unsecured and subordinated obligations of the Issuer and, subject to the provisions of this Condition 3 (*Status of Subordinated Notes*), will at all times rank *pari passu* without any preference among themselves. In relation to each Series of Subordinated Notes, all Subordinated Notes of such Series will be treated equally and all amounts paid by the Issuer in respect of principal and interest thereon will be paid *pro rata* on all Subordinated Notes of such Series.

In the event of the winding up, dissolution, liquidation or bankruptcy (including, *inter alia*, *Liquidazione Coatta Amministrativa* of the Issuer), the payment obligations of the Issuer under each Series of Subordinated Notes, and the relative Coupons as the case may be, will rank in right of payment:

- (i) after unsubordinated unsecured creditors (including depositors and any holder of Senior Notes, Senior Non-Preferred Notes and their respective Coupons) of the Issuer and all other creditors of the Issuer holding instruments that are less subordinated than the Subordinated Notes but

- (ii) at least *pari passu* with all other subordinated obligations of the Issuer which do not rank or are not expressed by their terms to rank junior or senior to such Series of Subordinated Notes and
- (iii) in priority to the claims of shareholders of the Issuer and to the claims of creditors of the Issuer holding instruments that are more subordinated than the Subordinated Notes.

In the event the Subordinated Notes of any Series do not qualify or cease to qualify, in their entirety, as own funds in the form of Tier 2 Capital, such Subordinated Notes shall rank subordinated and junior to unsubordinated unsecured creditors (including depositors and holders of Senior Notes and Senior Non-Preferred Notes) of the Issuer, *pari passu* among themselves and with the Issuer's obligations in respect of any other subordinated instruments which have ceased to qualify, in their entirety, as own funds items (*elementi di fondi propri*) and with all other present and future subordinated obligations of the Issuer which do not rank or are not expressed by their terms and/or by mandatory and/or overriding provisions of law to rank junior or senior to the relevant Subordinated Notes (which have so ceased to qualify, in their entirety, as own funds in the form of Tier 2 Capital) and senior to own fund items (*elementi di fondi propri*).

Each holder of a Subordinated Note unconditionally and irrevocably waives any right of set off, counterclaim, abatement or other similar remedy which it might otherwise have, under the laws of any jurisdiction, in respect of such Subordinated Note.

For the avoidance of doubt, there is no negative pledge provisions in these Conditions.

#### 4. STATUS OF ADDITIONAL TIER 1 NOTES

This Condition 4 (*Status of Additional Tier 1 Notes*) is applicable only to Additional Tier 1 Notes. The Additional Tier 1 Notes will constitute direct, unsecured and subordinated obligations of the Issuer, intended to qualify for regulatory purposes as Additional Tier 1 Capital of the Issuer and the Group in accordance with Article 52 of the CRR and Part II, Chapter 1 of Prudential Regulations for Banks and ranking:

- (i) subordinated and junior to all present or future indebtedness of the Issuer, including unsubordinated indebtedness of the Issuer (which, for the avoidance of doubt, includes any senior non-preferred instruments of the Issuer or guarantee in respect of any such instruments), the Issuer's obligations in respect of any dated subordinated instruments, any instruments issued as Tier 2 Capital or eligible liabilities (under CRR or any other relevant regulation) of the Issuer or guarantee in respect of any such instruments (other than any instrument or contractual right ranking, or expressed to rank, *pari passu* with the Additional Tier 1 Notes);
- (ii) *pari passu* among themselves and with the Issuer's present or future obligations in respect of any Additional Tier 1 Capital instruments or any other instruments or obligations which rank or are expressed to rank *pari passu* with the Additional Tier 1 Notes or, in each case, any guarantee in respect of such instruments; and
- (iii) senior to:
  - (A) the share capital of the Issuer, including, if any, its *azioni privilegiate*, ordinary shares and *azioni di risparmio*;
  - (B) (i) any present or future securities of the Issuer (including *strumenti finanziari* issued under Article 2346, paragraph 6 of the Italian Civil Code); and (ii) any securities issued by a Subsidiary which have the benefit of a guarantee or similar instrument from the Issuer,

which securities (in the case of paragraph (B)(i) above) or guarantee or similar instrument (in the case of paragraph (B)(ii) above) rank or are expressed to rank *pari passu* with the claims described under paragraph (A) above and/or otherwise junior to the Additional Tier 1 Notes.

In the event the Additional Tier 1 Notes of any Series do not qualify or cease to qualify, in their entirety, as own funds in the form of Additional Tier 1 Capital, such Additional Tier 1 Notes shall rank subordinated and junior to unsubordinated unsecured creditors (including depositors and holders of Senior Notes and Senior Non-Preferred Notes) of the Issuer, *pari passu* among themselves and with the Issuer's obligations in respect of any other subordinated instruments which have ceased to qualify, in their entirety, as own funds items (*elementi di fondi propri*) and with all other present and future subordinated obligations of the Issuer which do not rank or are not expressed by their terms and/or by mandatory and/or overriding provisions of law to rank junior or senior to the relevant Additional Tier 1 Notes (which have so ceased to qualify, in their entirety, as own funds in the form of Additional Tier 1 Capital) and senior to own fund items (*elementi di fondi propri*).

No security or guarantee of whatever kind is, or shall at any time be, provided by the Issuer or any other person securing rights of the Noteholders. In the event of the voluntary or involuntary winding up, dissolution, liquidation or bankruptcy (including, *inter alia*, *Liquidazione Coatta Amministrativa*) of the Issuer that occurs after the date on which a Contingency Event occurs but before the Write-Down Effective Date, the rights and claims (if any) of the Noteholders in respect of their Additional Tier 1 Notes shall be limited to such amount, if any, as would have been payable to Noteholders on a return of assets in such voluntary or involuntary winding up, dissolution, liquidation or bankruptcy (including, *inter alia*, *Liquidazione Coatta Amministrativa*) of the Issuer if the Write-Down Effective Date had occurred immediately before the occurrence of such liquidation, dissolution or winding up of the Issuer.

Each holder of an Additional Tier 1 Note unconditionally and irrevocably waives any right of set-off, netting, counterclaim, abatement or other similar remedy which it might otherwise have under the laws of any jurisdiction in respect of such Additional Tier 1 Note.

It is the intention of the Issuer that the Additional Tier 1 Notes shall, for regulatory purposes, be treated as Additional Tier 1 Capital, but the obligations of the Issuer and the rights of the Noteholders shall not be affected if the Notes no longer qualify as Additional Tier 1 Capital.

The Additional Tier 1 Notes (including, for the avoidance of doubt, payments of principal and/or interest) shall be subject to the Loss Absorption Requirement, if so required under the BRRD and/or (as applicable) the SRM Regulation, in accordance with the powers of the Relevant Authority and where the Relevant Authority determines that the application of the Loss Absorption Requirement to the Additional Tier 1 Notes is necessary pursuant to applicable law and/or regulation in force from time to time.

For the avoidance of doubt, there is no negative pledge provisions in these Conditions.

## 6. INTEREST

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Reset Rate Notes, Floating Rate Notes, CMS Linked Interest Notes or Zero Coupon Note.

### 6.1 Fixed Rate Note provisions

#### (i) *Application*

This Condition 6.1 (*Fixed Rate Note Provisions*) is applicable to the Notes only if (a) the Fixed Rate Note Provisions are specified in the applicable Final Terms as being applicable or (b) if a Change of Interest Basis is specified in the applicable Final Terms as being applicable, in respect of those Interest Periods for which the Fixed Rate Note Provisions are stated to apply.

#### (ii) *Interest Accrual*

The Notes bear interest from the Interest Commencement Date at the Rate of Interest (in respect of the relevant Interest Period) payable in arrear on each Interest Payment Date, subject as provided in Condition 9 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused or unless default is otherwise made in respect of payment. In such events, it will continue to bear interest in accordance with this Condition 6.1 (*Fixed Rate Note Provisions*) (both before and after judgment) until whichever is the earlier of:

- (i) the day on which all amounts due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder; and
- (ii) the day falling seven calendar days after the Agent has notified the Noteholders of receipt of all sums due in respect of all Notes up to that seventh calendar day (except to the extent that there is any subsequent default in payment in accordance with these Conditions) in accordance with Condition 15 (*Notices*).

#### (iii) *Fixed Coupon Amount*

The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.

#### (iv) *Calculation of Interest Amount*

The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards). For this purpose a “sub-unit” means, in the case of any currency other than Euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of Euro, means one cent. Where the Specified Denomination of a Fixed Rate Note comprises more than one Calculation Amount, the Amount of interest payable in respect of such Fixed Rate

Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

## 6.2 Reset Rate Note Provisions

### (i) *Application*

This Condition 6.2 (*Reset Rate Note Provisions*) is applicable to the Notes only if the applicable Final Terms specifies the Interest Basis reset on Reset Date as being applicable.

### (ii) *Interest Basis Reset Provisions*

The Notes will bear interest in respect of the Reset Period (or, if there is more than one Reset Period, each successive Reset Period thereafter) at the relevant Reset Rate (to be determined by the Calculation Agent on the relevant Reset Determination Date in accordance with this Condition 6.2) payable, subject as provided in Condition 9 (*Payments*), in arrears on the Interest Payment Date(s) specified in the applicable Final Terms.

### (iii) *Interest Accrual*

The Notes bear interest from (and including) the Interest Commencement Date to (but excluding) the Reset Date (or, if there is more than one Reset Period, the first Reset Date occurring after the Issue Date), at the Initial Rate of Interest payable, subject as provided in Condition 9 (*Payments*), in arrears on the Interest Payment Date specified in the applicable Final Terms. Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused or unless default is otherwise made in respect of payment. In such events, it will continue to bear interest in accordance with this Condition 6.2 (both before and after judgment) until whichever is the earlier of:

- (i) the day on which all amounts due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder; and
- (ii) the day falling seven calendar days after the Agent has notified the Noteholders of receipt of all sums due in respect of all Notes up to that seventh calendar day (except to the extent that there is any subsequent default in payment in accordance with these Conditions) in accordance with Condition 15 (*Notices*).

### (iv) *Reset Rate Screen Page*

Subject to Condition 6.3(x) (*Benchmark Replacement*), if the Reset Rate Screen Page is not available, the Issuer shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reset Reference Rate at approximately the Reset Rate Time on the Reset Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Reset Rate for the relevant Reset Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the applicable Reset Margin (if any), all as determined by the Calculation Agent. If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the foregoing provisions of this Condition 6.2 (*Reset Rate Note Provisions*), the Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Reset Rate shall be the Initial Rate of Interest.

### (v) *Calculation of Interest Amount*

The Calculation Agent will calculate the Interest Amount payable on the Reset Rate Notes for each relevant period (in the case of Interest Periods falling after the Reset Date, as soon as practicable after the time at which the Reset Reference Rate is to be determined in relation to such Reset Interest Period) by applying the Initial Rate of Interest or the applicable Reset Rate (as the case

may be) to the Calculation Amount and multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards). For this purpose a “sub-unit” means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent. Where the Specified Denomination of a Note comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(vi) *Publication*

The Calculation Agent will cause each Reset Rate and each Interest Amount determined by it for each Reset Period, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Issuer, Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Reset Rate, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.

(vii) *Notifications*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 6.2 (*Reset Rate Note Provisions*) by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

### **6.3 Floating Rate and CMS Linked Interest Note Provisions**

(i) *Application*

This Condition 6.3 (*Floating Rate and CMS Linked Interest Note Provisions*) is applicable to the Notes only if (a) the Floating Rate Note Provisions or CMS Linked Interest Note Provisions are specified in the applicable Final Terms as being applicable or (b) if a Change of Interest Basis is specified in the applicable Final Terms as being applicable, in respect of those periods for which the Floating Rate Note Provisions or the CMS Linked Interest Note Provisions are stated to apply.

(ii) *Interest Accrual*

The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrears on each Interest Payment Date, subject as provided in Condition 9 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused or unless default is otherwise made in respect of payment. In such events, it will continue to bear interest in accordance with this Condition 6.3 (*Floating Rate and CMS Linked Interest Note Provisions*) (both before and after judgment) until whichever is the earlier of:

- (i) the day on which all amounts due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder; and
- (ii) the day falling seven calendar days after the Agent has notified the Noteholders of receipt of all sums due in respect of all Notes up to that seventh calendar day (except to the extent

that there is any subsequent default in payment in accordance with these Conditions) in accordance with Condition 15 (*Notices*).

*(iii) Screen Rate Determination for Floating Rate Notes other than CMS Linked and SONIA Linked Interest Notes*

If Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate(s) of Interest is/are to be determined and “CMS Rate” or “SONIA” is not specified as the Reference Rate in the applicable Final Terms, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis, subject to Condition 6.3(x) (*Benchmark Replacement*):

- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iii) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable:
  - (a) the Issuer will request the principal Relevant Financial Centre office of each of the Reference Banks to provide the Calculation Agent with a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
  - (b) the Calculation Agent will determine the arithmetic mean of such quotations; and
- (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Issuer, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; provided, however, that if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

*(iv) a) Screen Rate Determination for Floating Rate Notes which are CMS Linked Interest Notes*

If Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate(s) of Interest is/are to be determined and “CMS Rate” is specified as the Reference Rate in the applicable Final Terms, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent by reference to the following formula, subject to Condition 6.3(x) (*Benchmark Replacement*):

CMS Rate plus Margin

If the Relevant Screen Page is not available, the Issuer shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the Interest Determination Date in question. If at least three of the CMS Reference Banks provide the Calculation Agent with such quotation, the CMS Rate for such Interest Period shall be the arithmetic mean of such quotations, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest).

If on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Calculation Agent in good faith on such commercial basis as considered appropriate by the Calculation Agent in its absolute discretion, in accordance with standard market practice.

*b) Screen Rate Determination for Floating Rate Notes which are linked to SONIA*

If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined and “SONIA” is specified as the Reference Rate in the relevant Final Terms, the Rate of Interest applicable to the Notes for each Interest Period shall be Compounded Daily SONIA plus or minus the Margin (if any) as specified in the applicable Final Terms, subject to Condition 6.3(x) (*Benchmark Replacement*).

If in respect of any Business Day in the relevant Observation Period, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) determines that the applicable SONIA Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, the SONIA Reference Rate in respect of such Business Day shall be: (A) (i) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at close of business on such Business Day; plus (ii) the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate, or (B) if such Bank Rate is not available, the SONIA Reference Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding Business Day on which the SONIA Reference Rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors).

Where the SONIA Reference Rate is being determined in accordance with the paragraph above, in the event the Bank of England publishes guidance as to (i) how the SONIA Reference Rate is to be determined; or (ii) any rate that is to replace the SONIA Reference Rate, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) shall, to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA Reference Rate for any Business Day “i” for the purpose of the relevant Series of Notes for so long as the SONIA Reference Rate is not available or has not been published by the authorised distributors. In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms), subject to Condition 6.3(x) (*Benchmark Replacement*), the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as the case may be) is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Period in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as the case may be) relating to that last preceding Interest Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Period had the Notes been in issue

for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (including applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Period). If the relevant Series of Notes become due and payable in accordance with Condition 14 (*Events of Default*), the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Notes remain outstanding, be that determined on such date. For the purposes of this paragraph 6.3(iv)(b):

“**Compounded Daily SONIA**” means, with respect to an Interest Period, the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the third decimal place, with 0.0005 being rounded upwards:

$$\left[ \prod_{i=1}^{d_0} \left( \frac{1 + \text{SONIA}_i - \text{pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

Where:

“**d**” is the number of calendar days in the relevant Interest Period;

“**do**” is the number of Business Days in the relevant Interest Period;

“**i**” is a series of whole numbers from one to do, each representing the relevant Business Day in chronological order from, and including, the first Business Day in the relevant Interest Period;

“**LBD**” means a Business Day;

“**ni**”, for any day “**i**”, means the number of calendar days from and including such day “**i**” up to but excluding the following LBD;

“**i**”, means the number of calendar days from and including such Business Day “**i**” up to but excluding the following Business Day;

“**p**” means for any Interest Period, 5 (five) Business Days or such other number of Business Days as specified in the applicable Final Terms provided that such number shall not be less than 5 (five) Business Days unless otherwise agreed between the Issuer and the Agent; and

“**Observation Period**” means, in respect of an Interest Period, the period from and including the date falling “**p**” Business Days prior to the first day of the relevant Interest Period and ending on, but excluding, the date falling “**p**” Business Days prior to the Interest Payment Date for such Interest Period (or, if applicable, the date falling five Business Days prior to any other date on which a payment of interest is to be made in respect of the Notes).

“**SONIA Reference Rate**” means in respect of any Business Day, a reference rate equal to the daily Sterling Overnight Index Average (“**SONIA**”) rate for such Business Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors (on the Business Day immediately following such Business Day).

“**SONIAi-pLBD**” means in respect of any Business Day falling in the relevant Interest Period, the SONIA Reference Rate for the Business Day falling, in the relevant Observation Period, “**p**” Business Days prior to that Business Day “**i**”.

(v) *ISDA Determination*

If ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where “ISDA Rate” in

relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the applicable Final Terms;
- (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the applicable Final Terms; and
- (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (B) in any other case, as specified in the applicable Final Terms.

(vi) *Maximum or Minimum Rate of Interest*

If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the applicable Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

(vii) *Calculation of Interest Amount*

The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount during such Interest Period and multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Specified currency (half a sub-unit being rounded upwards). For this purpose a “**sub-unit**” means, in the case of any currency other than Euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of Euro, means one cent. Where the Specified Denomination of a Floating Rate Note or CMS Linked Interest Note comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(viii) *Publication*

The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Issuer, the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.

(ix) *Notifications*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 6.3 (*Floating Rate and CMS Linked Interest Note Provisions*) by the Calculation Agent will (in the absence of manifest error) be

binding on the Issuer, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

(x) *Benchmark Replacement*

Notwithstanding the provisions in Conditions 6 (*Reset Rate Note Provisions*) and 6.3 (*Floating Rate Notes and CMS Linked Interest Note Provisions*), if the Issuer (in consultation with the Agent (or the person specified in the applicable Final Terms as the party responsible for calculating the Rate of Interest and the Interest Amount(s)) determines that a Benchmark Event has occurred in relation to an Original Reference Rate when any Rate of Interest (or the relevant component part thereof) remains to be determined by such Original Reference Rate, then the following provisions shall apply:

- (1) the Issuer shall use reasonable endeavours to appoint, as soon as reasonably practicable, an Independent Adviser to determine (acting in good faith and in a commercially reasonable manner) a Successor Rate (as defined below) or, alternatively, if there is no Successor Rate, an Alternative Benchmark Rate no later than 5 Business Days prior to the Reset Determination Date or Interest Determination Date (as applicable) relating to the next succeeding Reset Period or Interest Period (as applicable) (the “**IA Determination Cut-off Date**”) for purposes of determining the Rate of Interest applicable to the Notes for all future Reset Periods or Interest Periods (as applicable) (subject to the subsequent operation of this Condition 6.3(x) (*Benchmark Replacement*));
- (2) if the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by it fails to determine a Successor Rate or an Alternative Benchmark Rate prior to the IA Determination Cut-off Date, then the Issuer (acting in good faith and a commercially reasonable manner) may determine a Successor Rate or, if there is no Successor Rate, an Alternative Benchmark Rate no later than 2 Business Days prior to the Reset Determination Date or Interest Determination Date (as applicable) relating to the next succeeding Reset Period or Interest Period (as applicable);
- (3) if a Successor Rate or, failing which, an Alternative Benchmark Rate is determined in accordance with the preceding provisions, such Successor Rate or, failing which, Alternative Benchmark Rate shall be the Reference Rate or Mid-Swap Benchmark Rate (as applicable) in relation to the Notes for all future Reset Periods or Interest Periods (as applicable) (subject to the subsequent operation of this Condition 6.3(x) (*Benchmark Replacement*)); *provided, however*, that if sub-paragraph (2) applies and the Issuer is unable or unwilling to determine a Successor Rate or an Alternative Benchmark Rate prior to the Reset Determination Date or Interest Determination Date (as applicable) relating to the next succeeding Reset Period or Interest Period (as applicable), the Rate of Interest applicable to such next succeeding Reset Period or Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of a preceding Reset Period or Interest Period as applicable (which may be the Initial Rate of Interest) (though substituting, where a different Margin is to be applied to the relevant Reset Period or Interest Period from that which applied to the last preceding Reset Period or Interest Period, the Margin relating to the relevant Reset Period or Interest Period, in place of the Margin relating to that last preceding Reset Period or Interest Period); for the avoidance of doubt, the proviso in this sub-paragraph (3) shall apply to the relevant Interest Period or Reset Period (as applicable) only and any subsequent Interest Periods or Reset Periods (as applicable) are subject to the subsequent operation of, and to adjustment as provided in, this Condition 6.3(x) (*Benchmark Replacement*);
- (4) if the Independent Adviser or the Issuer determines a Successor Rate or, failing which, an Alternative Benchmark Rate in accordance with the above provisions, the Independent Adviser or the Issuer (as the case may be) may also, following consultation with the Agent (or the person specified in the applicable Final Terms as the party responsible for

calculating the Rate of Interest and the Interest Amount(s)), specify changes to the Day Count Fraction, Relevant Screen Page, Business Day Convention, Business Days, Reset Determination Date, Interest Determination Date and/or the definition of Mid Swap Benchmark Rate or Reference Rate applicable to the Notes, and the method for determining the fallback rate in relation to the Notes, in order to follow market practice in relation to the Successor Rate or the Alternative Benchmark Rate, which changes shall apply to the Notes for all future Reset Periods or Interest Periods (as applicable) (subject to the subsequent operation of this Condition 6.3(x) (*Benchmark Replacement*)). If the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable), determines that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Benchmark Rate (as applicable) and determines the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Benchmark Rate (as applicable). If the Independent Adviser or the Issuer (as applicable) is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Successor Rate or Alternative Benchmark Rate (as applicable) will apply without an Adjustment Spread. For the avoidance of doubt, the Agent shall, at the direction and expense of the Issuer, effect such consequential amendments to the Agency Agreement for the Italian Law Notes and these Conditions as may be required in order to give effect to this Condition 6.3(x) (*Benchmark Replacement*). No Noteholder consent shall be required in connection with effecting the Successor Rate or Alternative Benchmark Rate (as applicable) or such other changes, including for the execution of any documents or other steps by the Agent (if required)); and

- (5) following the determination of any Successor Rate or Alternative Benchmark Rate, the Issuer shall promptly give notice thereof and of any changes pursuant to subparagraph (4) above to the Agent and the Noteholders.

Notwithstanding any other provision of this Condition 6.3(x) (*Benchmark Replacement*): (i) no Successor Rate or Alternative Benchmark Rate (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 6.3(x) (*Benchmark Replacement*), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as: (A) in the case of Senior Notes or Senior Non-Preferred Notes, satisfying the MREL Requirements; (B) in the case of Subordinated Notes, Tier 2 Capital for regulatory capital purposes of the Issuer and/or the Group; and/or (ii) in the case of Senior Notes and Senior Non-Preferred Notes only, no Successor Rate or Alternative Benchmark Rate (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 6.3(x) (*Benchmark Replacement*), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to result in the Relevant Authority or, if applicable, the Relevant Resolution Authority treating a Reset Date or an Interest Payment Date as the effective maturity of the Notes, rather than the relevant Maturity Date.

For the purposes of this Condition 6.3(x) (*Benchmark Replacement*):

“**Adjustment Spread**” means a spread (which may be positive or negative) or formula or methodology for calculating a spread, which the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable), determines and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (ii) in the case of a Successor Rate for which no such recommendation has been made or in the case of an Alternative Benchmark Rate, the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor

Rate or the Alternative Benchmark Rate (as applicable); or (if the Independent Adviser or the Issuer, as applicable, determines that no such spread is in customary market usage) the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Benchmark Rate (as the case may be).

“**Alternative Benchmark Rate**” means the rate that the Independent Adviser or the Issuer (as applicable) determines has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest in respect of eurobonds denominated in the Specified Currency and of a comparable duration to the relevant Interest Period or Reset Period (as applicable), or, if the Independent Adviser or the Issuer (as applicable) determines that there is no such rate, such other rate as the Independent Adviser or the Issuer (as applicable) determines in its discretion (acting in good faith and in a commercially reasonable manner) is most comparable to the Original Reference Rate.

“**Benchmark Event**” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least 5 Business Days or ceasing to exist or being subject to a material change;
- (ii) a public statement by the administrator of the Original Reference Rate that it will cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate), *provided that* a Benchmark Event will occur on the date which is the later of (a) the date of the public statement referenced herein and (b) the date on which the administrator ceases publishing the Original Reference Rate permanently or indefinitely; or
- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will be permanently or indefinitely discontinued, *provided that* a Benchmark Event will occur on the date which is the later of (a) the date of the public statement referenced herein and (b) the date on which the Original Reference Rate has been permanently or indefinitely discontinued; or
- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate is no longer representative of its relevant underlying market; or
- (v) a public statement by the supervisor of the administrator of the Original Reference Rate, an insolvency official with jurisdiction over the administrator of the Original Reference Rate, a resolution authority with jurisdiction over the administrator of the Original Reference Rate or a court or an entity with similar insolvency or resolution authority over the administrator of the Original Reference Rate, which states that the administrator of the Original Reference Rate has ceased or will, within a specified period of time, cease to provide the Original Reference Rate permanently or indefinitely, provided that, at the time of cessation, there is no successor administrator that will continue to provide the Original Reference Rate and *further provided that* a Benchmark Event will occur on the date which is the later of (a) the date of the public statement referenced herein and (b) the date on which the administrator ceases to provide the Original Reference Rate permanently or indefinitely;
- (vi) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences either generally, or in respect of the Notes *provided that* a Benchmark Event will occur on the date which is the later of (a) the date of the public statement referenced herein and (b) the date on which

the Original Reference Rate is prohibited from being used or its use is subject to restrictions or adverse consequences either generally, or in respect of the Notes; or

- (vii) it has become unlawful (including, without limitation, under the EU Benchmark Regulation (Regulation (EU) 2016/1011), as amended from time to time, if applicable) for any Paying Agent, Calculation Agent or the Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate.

“**Independent Adviser**” means an independent financial institution of international repute or other independent financial adviser experienced in the international capital markets, in each case appointed by the Issuer at its own expense.

“**Original Reference Rate**” means:

- (i) the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes as specified in the applicable Final Terms.
- (ii) any Successor Rate or Alternative Benchmark Rate which has been determined in relation to such benchmark or screen rate (as applicable) pursuant to the operation of this Condition 6.3(x) (*Benchmark Replacement*).

“**Relevant Nominating Body**” means, in respect of a reference rate or mid-swap floating leg benchmark rate:

- (i) the central bank for the currency to which the reference rate or mid swap floating leg benchmark rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the reference rate or mid swap floating leg benchmark rate; or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the reference rate or mid swap floating leg benchmark rate relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the reference rate or mid-swap floating leg benchmark rate, (c) a group of the aforementioned central banks or other supervisory authorities, or (d) the Financial Stability Board or any part thereof; and

“**Successor Rate**” means the rate that the Independent Adviser or the Issuer (as applicable) determines is a successor to or replacement of the Reference Rate or Mid-Swap Benchmark Rate (as applicable) which is formally recommended by any Relevant Nominating Body.

## 6.4 Change of Interest Basis

If Change of Interest Basis is specified as applicable in the applicable Final Terms, the interest payable in respect of the Notes will be calculated in accordance with Condition 6.1 (*Fixed Rate Note Provisions*) or Condition 6.3 (*Floating Rate and CMS Linked Interest Note Provisions*), each applicable only for the relevant periods specified in the applicable Final Terms.

If Change of Interest Basis is specified as applicable in the applicable Final Terms, and Issuer’s Switch Option is also specified as applicable in the applicable Final Terms, the Issuer may, on one or more occasions, as specified in the applicable Final Terms, at its option (any such option, a “**Switch Option**”), having given notice to the Noteholders in accordance with Condition 15 (*Notices*) on or prior to the relevant Switch Option Expiry Date, change the Interest Basis of the Notes from Fixed Rate to Floating Rate or Floating Rate to Fixed Rate or as otherwise specified in the applicable Final Terms with effect from (and including) the Switch Option Effective Date specified in the applicable Final Terms (including different Fixed Rates or Floating Rates in respect of Fixed Rate Notes or Floating Rate Notes respectively) to (but excluding) the Maturity Date (or, where more than one Switch Option Effective Date is specified in the applicable Final Terms, up to and excluding the next following Switch Option Effective Date), provided that (A) the Switch

Option may be exercised only in respect of all the outstanding Notes, (B) upon exercise of a Switch Option, the Interest Basis change will be effective from (and including) the relevant Switch Option Effective Date until the Maturity Date (or, where more than one Switch Option Effective Date is specified as applicable in the applicable Final Terms, up to and excluding the next following Switch Option Effective Date to the extent the related Switch Option is exercised), and (C) where a Switch Option has not been exercised prior to the relevant Switch Option Expiry Date, the Issuer shall no longer be entitled to exercise such Switch Option and the Interest Basis shall not change.

“**Switch Option Expiry Date**” and “**Switch Option Effective Date**” shall mean any date specified as such in the applicable Final Terms provided that any date specified in the applicable Final Terms as a Switch Option Effective Date shall be deemed as such subject to the exercise of the relevant Switch Option having been notified by the Issuer pursuant to this Condition and in accordance with Condition 15 (*Notices*) prior to the relevant Switch Option Expiry Date.

## **6.5 Zero Coupon Notes Provisions**

### *(i) Application*

This Condition 6.5 (*Zero Coupon Note Provisions*) is applicable to the Notes only if the Zero Coupon Note Provisions are specified in the applicable Final Terms as being applicable.

### *(ii) Late Payment on Zero Coupon Notes*

If the Redemption Amount payable in respect of any Zero-Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (a) the day on which all amounts due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (b) the day falling seven calendar days after the Agent has notified the Noteholders of receipt of all sums due in respect of all Notes up to that seventh calendar day (except to the extent that there is any subsequent default in payment in accordance with these Conditions) in accordance with Condition 15 (*Notices*).

## **7. INTEREST AND INTEREST CANCELLATION PROVISIONS IN RESPECT OF ADDITIONAL TIER 1 NOTES**

### **7.1 Application**

This Condition 7 (*Interest and Interest Cancellation Provisions in respect of Additional Tier 1 Notes*) is applicable to the Additional Tier 1 Notes only. The application of Condition 6 (*Interest*) to Additional Tier 1 Notes is subject to this Condition 7.

### **7.2 Calculation of Interest Amount**

Subject to Condition 7.5 (*Cancellation of Interest Amounts*) and Condition 9 (*Payments*), the amount of interest payable in respect of an Additional Tier 1 Note for any period shall be calculated by the Calculation Agent by:

- (a) applying the applicable Rate of Interest to the Prevailing Principal Amount of such Additional Tier 1 Note;
- (b) multiplying the product thereof by the Day Count Fraction; and
- (c) rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

### 7.3 Calculation of Interest Amount in case of Write-Down

Subject to Condition 7.5 (*Cancellation of Interest Amounts*), in the event that a Write-Down occurs during an Interest Period, any accrued and unpaid interest shall be cancelled pursuant to Condition 8.2(c) (*Loss absorption*) and the Interest Amount payable on the Interest Payment Date immediately following such Interest Period shall be calculated in accordance with Condition 7.2 (*Calculation of Interest Amount*), provided that the Day Count Fraction shall be determined as if such Interest Period started on, and included, the Write-Down Effective Date.

### 7.4 Calculation of Interest Amount in case of Write-Up

Subject to Condition 7.5 (*Cancellation of Interest Amounts*), in the event that a Write-Up occurs during an Interest Period, the Interest Amount payable on the Interest Payment Date immediately following such Interest Period shall be calculated as the sum (rounding the resulting figure to the nearest cent, with half a cent being rounded upwards) of the following:

- (a) the product of the applicable Rate of Interest, the Prevailing Principal Amount before such Write-Up, and the Day Count Fraction (determined as if the Interest Period ended on, but excluded, the date of such Write-Up); and
- (b) the product of the applicable Rate of Interest, the Prevailing Principal Amount after such Write-Up, and the Day Count Fraction (determined as if the Interest Period started on, and included, the date of such Write-Up).

### 7.5 Cancellation of Interest Amounts

The Issuer may at any time elect at its full discretion to cancel (in whole or in part) for an unlimited period and on a non-cumulative basis the Interest Amounts otherwise scheduled to be paid on an Interest Payment Date.

Without prejudice to (i) such full discretion of the Issuer to cancel the Interest Amounts and (ii) the prohibition on making payments on the Additional Tier 1 Notes pursuant to any provisions of Italian law implementing Article 141(2) of the CRD IV, as amended or replaced and, if relevant, in any other similar payment restriction provision(s) under the Applicable Banking Regulations, before the Maximum Distributable Amount is calculated, payment of Interest Amounts on any Interest Payment Date must be cancelled (in whole or, as the case may be, in part) if and to the extent that such Interest Amounts:

- (a) when aggregated together with distributions on all other Own Funds instruments of the Issuer (excluding Tier 2 Capital instruments) paid or scheduled for payment in the then current financial year and any potential write-ups exceed the amount of Distributable Items, excluding any payments already accounted for in determining the Distributable Items; and/or
- (b) when aggregated together with other distributions of the Issuer or the Group, as applicable, of the kind referred to in Article 141(2) of the CRD IV and, if relevant, in any other similar payment restriction provision(s) under the Applicable Banking Regulations (or, if different, any provisions of Italian law implementing Article 141(2) of the CRD IV, as amended or replaced) and, if relevant, such other provision(s) and the amount of any write-up (if applicable), would, if paid, cause the Maximum Distributable Amount (if any) then applicable to the Issuer and/or the Group to be exceeded; and/or
- (c) are required to be cancelled (in whole or in part) by an order to the Issuer from the Relevant Authority.

As set out in Condition 8.2 (*Loss absorption*), if a Contingency Event occurs, accrued and unpaid interest to (but excluding) the Write-Down Effective Date shall be cancelled.

Notice of any cancellation of payment of a scheduled Interest Amount must be given to the Noteholders (in accordance with Condition 15 (*Notices*)) and the Agent as soon as possible, but not

more than 60 calendar days, prior to the relevant Interest Payment Date. Such notice shall specify the amount of the relevant cancellation. Any failure by the Issuer to give such notice shall not affect the validity of the cancellation and shall not constitute a default for any purpose. In the absence of any notice of cancellation being given, the fact of non-payment (in whole or in part) of the relevant Interest Amount on the relevant Interest Payment Date shall be evidence of the Issuer having elected or being required to cancel such distributions payment in whole or in part, as applicable.

For the avoidance of doubt (i) the cancellation of any Interest Amounts in accordance with this Condition 7.5 (*Cancellation of Interest Amounts*) or Condition 8.2 (*Loss absorption*) shall not constitute a default for any purpose on the part of the Issuer and (ii) interest on the Additional Tier 1 Notes is not cumulative and any Interest Amounts that the Issuer elects not to pay or is prohibited from paying will not accumulate or compound and all rights and claims in respect of such amounts shall be fully and irrevocably forfeited and no payments shall be made nor shall any Noteholder be entitled to any payment or indemnity in respect thereof.

For the purposes of this Condition, “**Distributable Items**” means, subject as otherwise defined in the Applicable Banking Regulations from time to time, in relation to interest otherwise scheduled to be paid on an Interest Payment Date:

- (a) an amount equal to the Issuer’s profits at the end of the financial year immediately preceding the financial year in which the relevant Interest Payment Date falls plus any profits brought forward and reserves available for that purpose before distributions to holders of Own Funds instruments (which, for the avoidance of doubt, excludes any such distributions paid or made on Tier 2 Capital instruments or any such distributions which have already been provided for, by way of deduction, in calculating the amount of Distributable Items); less
- (b) an amount equal to any losses brought forward, any profits which are non-distributable pursuant to applicable European Union or Italian law or the by-laws of the Issuer from time to time and any sums placed to non-distributable reserves in accordance with applicable Italian law or the by-laws of the Issuer from time to time, in each case with respect to the specific category of Own Funds instruments to which European Union or Italian law or the by-laws of the Issuer or statutes relate,

those profits, losses and reserves being determined on the basis of the Issuer’s non-consolidated accounts.

Notwithstanding the above, the determination of Distributable Items shall be based on the Applicable Banking Regulations at the time of the determination and, accordingly, only those amounts shall be added or deducted that may be added or have to be deducted (as the case may be) for the purposes of determining the amounts distributable on Additional Tier 1 Capital under the Applicable Banking Regulations.

## **7.6 No restriction following cancellation of Interest Amounts**

In the event that the Issuer exercises its discretion not to pay interest or is prohibited from paying interest on any Interest Payment Date, it will not give rise to any contractual restriction on the Issuer making distributions or any other payments to the holders of any securities ranking *pari passu* with, or junior to, the Additional Tier 1 Notes (or, for the avoidance of doubt, Tier 2 Capital instruments).

## 8. LOSS ABSORPTION AND REINSTATEMENT OF PRINCIPAL AMOUNT

### 8.1 Application

This Condition 8 (*Loss Absorption and Reinstatement of Principal Amount*) is applicable to the Additional Tier 1 Notes only. The application of Condition 6 (*Interest*) to Additional Tier 1 Notes is subject to this Condition 8.

### 8.2 Loss absorption

If, at any time, the Common Equity Tier 1 Capital Ratio of the Issuer or the Group falls below 5.125% (“**Contingency Event**”), the Issuer shall:

- (a) immediately notify the Relevant Authority of the occurrence of the relevant Contingency Event;
- (b) as soon as reasonably practicable deliver a Loss Absorption Event Notice to Noteholders (in accordance with Condition 15 (*Notices*)), the Agent and the Paying Agents (provided that failure or delay in delivering a Loss Absorption Event Notice shall not constitute a default for any purpose or in any way impact on the effectiveness of, or otherwise invalidate, any Write-Down);
- (c) cancel any accrued and unpaid interest up to (but excluding) the Write-Down Effective Date; and
- (d) without delay, and in any event within one month (or such shorter period as the Relevant Authority may require) from the determination that the relevant Contingency Event has occurred, reduce the then Prevailing Principal Amount of each Additional Tier 1 Note by the Write-Down Amount (such reduction being referred to as a **Write-Down** and **Written Down** being construed accordingly).

Whether a Contingency Event has occurred at any time shall be determined by the Issuer, the Relevant Authority or any agent appointed for such purpose by the Relevant Authority.

For the avoidance of doubt, even if the cancellation of interest pursuant to Condition 8.2(c) (*Loss absorption*) would cure the relevant Contingency Event, the relevant Write-Down shall occur in any event and any increase in the Common Equity Tier 1 Capital Ratio as a result of such cancellation of interest shall be disregarded for the purpose of calculating the relevant Write-Down Amount in respect of such Contingency Event.

Any Write-Down of an Additional Tier 1 Note will be effected, save as may otherwise be required by the Relevant Authority and subject as otherwise provided in these Conditions, *pro rata* with the Write-Down of other Additional Tier 1 Notes and with the concurrent (or substantially concurrent) write-down (or write-off) or conversion into Ordinary Shares, as the case may be, of any Equal Loss Absorbing Instruments (based on the prevailing amount of the relevant Equal Loss Absorbing Instrument). To the extent possible, the write-down (or write-off) or conversion into Ordinary Shares of any Prior Loss Absorbing Instruments will be taken into account in the calculation of the Write Down Amount, and of the amount of write-down (or write-off) or conversion into Ordinary Shares of any Equal Loss Absorbing Instruments, required to cure the relevant Contingency Event.

A Write-Down may occur on more than one occasion and the Additional Tier 1 Notes may be Written Down on more than one occasion.

Any Loss Absorption Event Notice delivered to the Agent must be accompanied by a certificate signed by the Authorised Signatories stating that the Contingency Event has occurred and setting out the method of calculation of the relevant Write-Down Amount.

The Agent is not responsible, nor shall it incur any liability, for monitoring or ascertaining as to whether any certifications required by this provision are provided, nor shall it be required to review, check or analyse any certifications produced nor shall it be responsible for the contents of any such certifications or incur any liability in the event the content of such certifications are inaccurate or incorrect.

In respect of any Write-Down, to the extent the write-down (or write-off) or conversion into Ordinary Shares of any Loss Absorbing Instrument is not, or within one month (or such shorter period as the Relevant Authority may require) from the determination that the relevant Contingency Event has occurred will not be, effective for any reason (i) the ineffectiveness of any such write-down (or write-off) or conversion into Ordinary Shares of any Loss Absorbing Instrument shall not prejudice the requirement to effect the Write-Down of the Additional Tier 1 Notes pursuant to this Condition 8.2 (*Loss absorption*); and (ii) such write-down (or write-off) or conversion into Ordinary Shares shall not be taken into account in calculating the Write-Down Amount in respect of such Write-Down. For the avoidance of doubt, the write-down (or write-off) or conversion into Ordinary Shares of any Loss Absorbing Instrument will only be taken into account in the calculation of the Write-Down Amount to the extent (and in the amount, if any) that such Loss Absorbing Instrument can actually be written-down (or written-off) or converted into Ordinary Shares in the relevant circumstances within one month (or such shorter period as the Relevant Authority may require) from the determination that the relevant Contingency Event has occurred.

If, in connection with a Write-Down or the calculation of a Write-Down Amount, there are outstanding any Loss Absorbing Instruments the terms of which provide that they shall be written-down (or written-off) or converted into Ordinary Shares in full and not in part only (“**Full Loss Absorbing Instruments**”) then:

- (A) the requirement that a Write-Down of the Additional Tier 1 Notes shall be effected *pro rata* with the write-down (or write-off) or conversion into Ordinary Shares, as the case may be, of any such Loss Absorbing Instruments shall not be construed as requiring the Additional Tier 1 Notes to be Written-Down in full (or in full save for the sub-unit floor) simply by virtue of the fact that such Full Loss Absorbing Instruments will be written-down (or written-off) or converted in full; and
- (B) for the purposes of calculating the Write-Down Amount, the Full Loss Absorbing Instruments will be treated (for the purposes only of determining the write-down (or write-off) of principal or conversion into Ordinary Shares, as the case may be, among the Additional Tier 1 Notes and such other Loss Absorbing Instruments on a *pro rata* basis) as if their terms permitted partial write-down (or write-off) or conversion into Ordinary Shares, such that the write-down (or write-off) or conversion into Ordinary Shares of such Full Loss Absorbing Instruments shall be deemed to occur in two concurrent stages: (a) *first*, the principal amount of such Full Loss Absorbing Instruments shall be written-down (or written-off) or converted into Ordinary Shares *pro rata* with the Additional Tier 1 Notes and all other Loss Absorbing Instruments (in each case subject to and as provided in the preceding paragraph) to the extent necessary to cure the relevant Contingency Event; and (b) *secondly*, the balance (if any) of the principal amount of such Full Loss Absorbing Instruments remaining following (a) above shall be written-down (or written-off) or converted into Ordinary Shares, as the case may be, with the effect of increasing the Issuer’s and/or the Group’s, as the case may be, Common Equity Tier 1 Capital Ratio above the minimum required level under (a) above.

### 8.3 Consequences of loss absorption

Following the giving of a Loss Absorption Event Notice which specifies a Write-Down of the Additional Tier 1 Notes, the Issuer shall procure that:

- (a) a similar notice is, or has been, given in respect of each Loss Absorbing Instrument (in accordance with, and to the extent required by, its terms); and
- (b) the prevailing principal amount of each Loss Absorbing Instrument outstanding (other than the Additional Tier 1 Notes) (if any) is written down (or written-off) or converted, as appropriate, in accordance with its terms prior to or, as appropriate, as soon as reasonably practicable following the giving of such Loss Absorption Event Notice,

*provided, however, that any failure by the Issuer either to give such a notice or to procure such a write down and/or conversion will not affect the effectiveness of, or otherwise invalidate, any Write Down of the Notes pursuant to Condition 8.2 (Loss absorption) or give Noteholders any rights as a result of either such failure (and, for the avoidance of doubt, the Write Down Amount may increase as a result thereof).*

### 8.4 Reinstatement of principal amount

If both a positive Net Banking Income and a positive Consolidated Net Banking Income are recorded at any time while the Prevailing Principal Amount of the Additional Tier 1 Notes is less than their Initial Principal Amount, the Issuer may, at its full discretion and subject to the Maximum Distributable Amount (if any) (when the amount of the Write-Up is aggregated together with other distributions of the Issuer or the Group, as applicable, of the kind referred to in Article 141(2) of the CRD IV and, if relevant, in any other similar payment restriction provision(s) under the Applicable Banking Regulations (or, if different, any provision of Italian law implementing Article 141(2) of the CRD IV, as amended or replaced, or if relevant, such other provision(s)) not being exceeded thereby, increase the Prevailing Principal Amount of each Note (a “**Write-Up**”) up to a maximum of the Initial Principal Amount, on a *pro rata* basis with the other Additional Tier 1 Notes and with any Written-Down Additional Tier 1 Instruments that have terms permitting a principal write-up to occur on a basis similar to that set out in this Condition 8.4 in the circumstances existing on the date of the relevant Write-Up (based on their prevailing principal amounts), provided that the sum of:

- (i) the aggregate amount of the relevant Write-Up on all the Additional Tier 1 Notes (aggregated with the aggregate amounts of any other Write-Ups out of the same Relevant Net Banking Income);
- (ii) the aggregate amount of any interest payments on the Additional Tier 1 Notes that were paid on the basis of a Prevailing Principal Amount lower than the Initial Principal Amount at any time after the end of the previous financial year,
- (iii) the aggregate amount of the increase in principal amount of each such Written-Down Additional Tier 1 Instrument at the time of the relevant Write-Up; and
- (iv) the aggregate amount of any interest payments on each such Written-Down Additional Tier 1 Instrument that were calculated or paid on the basis of a prevailing principal amount that is lower than the principal amount it was issued with at any time after the end of the previous financial year,

does not exceed the Maximum Write-Up Amount.

The Issuer will not reinstate the principal amount of any Written-Down Additional Tier 1 Instruments of the Issuer that have terms permitting a principal write-up to occur on a similar basis to that set out in this Condition 8.4 unless it does so on a *pro rata* basis with a Write-Up on the Additional Tier 1 Notes.

A Write-Up may be made on one or more occasions in accordance with this Condition 8.4 until the Prevailing Principal Amount of the Additional Tier 1 Notes has been reinstated to the Initial Principal Amount. No Write-Up shall be operated (i) whilst a Contingency Event has occurred and is continuing, or (ii) where any such Write-Up (together with the write-up of all other Written-Down Additional Tier 1 Instruments) would cause a Contingency Event to occur.

Any decision by the Issuer to effect or not to effect any Write-Up pursuant to this Condition 8.4 on any occasion shall not preclude it from effecting or not effecting any Write-Up on any other occasion pursuant to this Condition 8.4.

If the Issuer decides to Write-Up the Additional Tier 1 Notes pursuant to this Condition 8.4, it shall deliver a notice (a “**Write-Up Notice**”) specifying the amount of any Write-Up (as a percentage of the Initial Principal Amount of an Additional Tier 1 Note resulting in a *pro rata* increase in the Prevailing Principal Amount of each Additional Tier 1 Note) and the date on which such Write-Up shall take effect shall be given to Noteholders in accordance with Condition 15 (Notices) and to the Agent. Such Write-Up Notice shall be given at least ten Business Days prior to the date on which the relevant Write-Up becomes effective.

## **9. PAYMENTS**

### **9.1 Payments in respect of Notes**

Payments of principal and interest in respect of the Notes will be made against presentation and surrender (or, in the case of a partial payment, endorsement) of Notes or the appropriate Coupons (as the case may be) at the Specified Office of any Paying Agent outside the United States by cheque drawn in the currency in which the payment is due on or by transfer to an account denominated in that currency (or, if that currency is Euro, any other account to which Euro may be credited or transferred) and maintained by the payee with a bank in the Principal Financial Centre of that currency (in the case of a sterling cheque, a town clearing branch of a bank in the City of London). Payments of interest due in respect of any Note other than on presentation and surrender of matured Coupons shall be made only against presentation and either surrender or endorsement (as appropriate) of the relevant Note.

### **9.2 Payments in New York City**

Payments of principal or interest may be made at the Specified Office of a Paying Agent in New York City if (i) the Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of the interest on the Notes in the currency in which the payment is due when due, (ii) payment of the full amount of such interest at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) payment is permitted by applicable United States law.

### **9.3 Payments subject to applicable laws**

All payments in respect of the Notes made in accordance with these Conditions shall be subject to:

  - (a) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the “**Relevant Coupons**”) being equal to the amount of principal due for payment; *provided, however*, that where this sub-paragraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and
  - (b) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; *provided, however*, that, if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

The Issuer will have no obligation to pay additional amounts or otherwise indemnify an investor for any amounts required to be withheld or deducted pursuant to Sections 1471 through 1474 of the Code, any regulation or agreements thereunder, any official interpretations thereof, any intergovernmental agreement in place between the United States and another jurisdiction facilitating the implementation thereof or any law implementing an intergovernmental approach thereto to be deducted or withheld by the Issuer, the paying agent or any other party.

### 11.2 Additional Amounts

Any reference in these Conditions to any amounts of principal and interest in respect of the Notes and the Coupons shall be deemed also to refer to any additional amounts which may be payable under Condition 11 (*Taxation*).

## 12. PRESCRIPTION

Claims in respect of principal and interest will become void unless presentation for payment is made as required by Condition 9 (*Payments*) within a period of ten years in the case of principal and five years in the case of interest from the appropriate Relevant Date, subject to provisions of Condition 9 (*Payments*).

## 13. REPLACEMENT OF NOTES AND COUPONS

If any Note or Coupon is lost, stolen, mutilated, defaced or destroyed it may be replaced at the Specified Office of the Agent, subject to all applicable laws and stock exchange or other relevant authority requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may require (provided that the requirement is reasonable in the light of prevailing market practice). Mutilated or defaced Notes or Coupons must be surrendered before replacements will be issued.

## 14. EVENTS OF DEFAULT

- (A) With respect to any Note which is a Senior Note or a Senior Non-Preferred Note, if any of the following events occurs:
- (i) *Winding-up etc.*: if an order is made by any competent court or an effective resolution is passed for the winding up, liquidation or dissolution of the Issuer (otherwise than for the purposes of and pursuant to an amalgamation, reorganisation or restructuring whilst solvent); or
  - (ii) *Analogous event*: any event occurs which under the laws of the Relevant Jurisdiction has an analogous effect to any of the events referred to in paragraph (i) (Winding up, etc.) above; or
- (B) with respect to any Subordinated Note or Additional Tier 1 Note, if the Issuer becomes subject to *Liquidazione Coatta Amministrativa* as defined in the Consolidated Banking Law of the Republic of Italy, as amended from time to time (the “**Event of Default for the Subordinated Notes and Additional Tier 1 Notes**”),

then any Note may, by written notice addressed by the holder thereof to the Issuer and delivered to the Issuer or to the Specified Office of the Agent, be declared immediately due and payable, whereupon it shall become immediately due and payable at its Early Termination Amount or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount together with accrued interest (in the case of Additional Tier 1 Notes, to the extent that such interest is not cancelled in accordance with these Conditions) (if any) without further action or formality. No Event of Default for the Subordinated Notes and Additional Tier 1 Notes shall occur other than in the context of an insolvency proceeding in respect of the Issuer (and, for the avoidance of doubt, resolution proceeding(s) or moratoria imposed by a resolution authority in respect of the Issuer shall not constitute an Event of Default for the Subordinated Notes and Additional Tier 1 Notes for any purpose).

## 15. NOTICES

Notices to Noteholders will be valid if published in a reputable leading English language daily newspaper published in London with an international circulation (which is expected to be the Financial Times) and (so long as the Notes are listed on a securities market of Euronext Dublin and it is a requirement of applicable laws and regulations or the rules of Euronext Dublin) a leading newspaper having general circulation in the Republic of Ireland or on Euronext Dublin’s website ([www.euronext.com/en/markets/dublin](http://www.euronext.com/en/markets/dublin)) or, if such publication shall not be practicable, in an leading English language daily newspaper of general circulation in Europe (which is expected to be the Financial Times). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, the first date on which publication is made. Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the Noteholders in accordance with this Condition 15 (*Notices*).

## **16. MEETING OF NOTEHOLDERS, NOTEHOLDERS' REPRESENTATIVE**

### **16.1 Meetings of Noteholders**

The Agency Agreement for the Italian Law Notes contains provisions for convening meetings of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer and shall be convened by it upon the request in writing of Noteholders holding not less than one-tenth of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be one or more Persons holding or representing a clear majority of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, one or more Persons being or representing Noteholders whatever the principal amount of the Notes held or represented; *provided, however*, that Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which one or more Persons holding or representing not less than three-fourths or, at any adjourned meeting, one third of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

### **16.2 Modification**

The Notes, the Coupons and these Conditions may be amended without the consent of the Noteholders or the Couponholders to correct a manifest error. In addition, the parties to the Agency Agreement for the Italian Law Notes may agree to modify any provision thereof, but the Issuer shall not agree, without the consent of the Noteholders, to any such modification unless it is of a formal, minor or technical nature, it is made to correct a manifest error or it is not materially prejudicial to the interests of the Noteholders.

For the avoidance of doubt, no Noteholder consent shall be required in connection with effecting the Successor Rate or Alternative Benchmark Rate (as applicable) or such other changes, including for the execution of any documents or other steps by the Agent (if required) pursuant to Condition 6.3(x) (*Benchmark Replacement*).

## **17. ROUNDING**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the applicable Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

## **18. FURTHER ISSUES**

The Issuer may from time to time without the requirement to give notice to, or seek the consent of, the Noteholders or the Couponholders create and issue further notes having the same terms and conditions as those of the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding Notes, or upon such terms as the Issuer may determine at the time of their issue.

## **19. CURRENCY INDEMNITY**

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the “first currency”) in which the same is payable under these Conditions or such order or judgment into another currency (the “second currency”) for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder or Couponholder, on the written demand of such Noteholder or Couponholder addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

## **20. GOVERNING LAW AND SUBMISSION TO JURISDICTION**

### **20.1 Governing Law**

The Agency Agreement for the Italian Law Notes, the Notes and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement for the Italian Law Notes, the Notes and the Coupons are governed by, and construed in accordance with, Italian law.

### **20.2 Submission to Jurisdiction**

The courts of Milan are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes or the Coupons and accordingly any legal action or proceedings arising out of or in connection with the Notes or the Coupons may be brought in such courts.

## **21. CONTRACTUAL RECOGNITION OF BAIL-IN POWERS**

By the acquisition of the Notes, each Noteholder acknowledges and agrees to be bound by the exercise of any Bail-in Power by the Relevant Resolution Authority that may result in the write-down or cancellation of all or a portion of the principal amount of, or distributions on, the Notes and/or the conversion of all or a portion of the principal amount of, or distributions on, the Notes into ordinary shares or other obligations of the Issuer or another person, including by means of a variation to the terms of the Notes to give effect to the exercise by the Relevant Resolution Authority of such Bail-in Power. Each Noteholder further agrees that the rights of the Noteholders are subject to, and will be varied if necessary so as to give effect to, the exercise of any Bail-in Power by the Relevant Resolution Authority.

For the avoidance of doubt, the potential write-down or cancellation of all or a portion of the principal amount of, or distributions on, the Additional Tier 1 Notes or the conversion of the Additional Tier 1 Notes into Ordinary Shares or other obligations in connection with the exercise of any Bail-in Power by the Relevant Authority is separate and distinct from a Write-Down following a Contingency Event although these events may occur consecutively.

Upon the Issuer being informed or notified by the Relevant Resolution Authority of the actual exercise of the date from which the Bail-in Power is effective with respect to the Notes, the Issuer shall notify the Noteholders without delay. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Bail-in Power nor the effects on the Notes described in this Condition.

The exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Notes shall not constitute an Event of Default and the terms and conditions for the Notes shall continue to apply in relation to the residual principal amount of, or outstanding amount payable with respect to, the Notes subject to any modification of the amount of distributions payable to reflect the

reduction of the principal amount, and any further modification of the terms that the Relevant Resolution Authority may decide in accordance with applicable laws and regulations relating to the resolution of credit institutions, investment firms and/or Group Entities incorporated in the relevant Member State.

Each Noteholder also acknowledges and agrees that this provision is exhaustive on the matters described herein to the exclusion of any other agreements, arrangements or understandings relating to the application of any Bail-in Power to the Notes.

As used in this Condition:

“**Bail-in Power**” means any statutory write-down and/or conversion power existing from time to time under any laws, regulations, rules or requirements relating to the resolution of credit institutions, investment firms and/or Group Entities incorporated in the relevant Member State in effect and applicable in the relevant Member State to the Issuer or other Group Entities, including (but not limited to) any such laws, regulations, rules or requirements that are implemented, adopted or enacted within the context of any European Union directive or regulation of the European Parliament and of the Council establishing a framework for the recovery and resolution of credit institutions and investment firms and/or within the context of a relevant Member State resolution regime or otherwise, pursuant to which liabilities of a credit institution, investment firm and/or any Group Entities can be reduced, cancelled and/or converted into shares or obligations of the obligor or any other person.

“**Group Entity**” means the Issuer or any legal person that is part of the Group.

“**Resolution Power**” means any statutory write-down, transfer and/or conversion power existing from time to time under any laws regulations, rules or requirements relating to the resolution of the Issuer or any other entities of the Group, including but not limited to any laws, regulations, rules or requirements implementing the BRRD and/or the SRM Regulation.

“**SRM Regulation**” means Regulation (EU) No. 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010, as amended or replaced from time to time (including by SRM II Regulation);

“**SRM II Regulation**” means Regulation (EU) No. 2019/877 of the European Parliament and of the Council of 20 May 2019 amending Regulation (EU) No. 806/2014 as regards the loss absorbing and recapitalisation capacity of credit institutions and investment firms.
